11/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 630 new photos and 25 minutes of smoking fetish video, shot in high-def.

In the photo galleries, we have two terrific duo scenes with Tina A. and Tash with mouth, nose and mouth/nose exhales, snaps, talking exhales and lots more. And in the high-res galleries, Sharnay relaxes on the couch with a Marlboro 100.

In the video galleries, Natalie P. shows her great smoking style, with a terrific natural snap/french inhale and strong mouth and nose exhales. In the first scene, we're taken with her 80's big hair look; in the second, she smokes in leather gloves and she chains and checks out her closet; the third is straight glamour.
